Wisconsin Bishops Release Letter on Immigration

On December 12, the feast day of Our Lady of Guadalupe, Wisconsin's bishops released a pastoral letter, "[Traveling Together in Hope](#)" and a [Question and Answer](#) resource to educate Catholics about the need for comprehensive immigration reform. Spanish versions of both documents are available on the WCC website at www.wisconsinatholic.org.

WCC Supports Bill to Ban Coercive and Webcam Abortions

On December 13, the WCC presented [testimony](#) in support of [Senate Bill 306](#) (Sen. Mary Lazich, R-New Berlin) at a public hearing before the Senate Health Committee. The bill would require 1) that the physician performing the abortion assess whether the woman is in fact consenting voluntarily to the abortion; 2) the repeal of state statute 940.04(3) and (4), which cannot be enforced because it is superseded by s. 940.13 (i.e., s.940.13 prohibits the prosecution of women who obtain abortions); and 3) prohibiting Wisconsin doctors from participating in chemical abortions over the web. The Committee took no further action on the bill.

USCCB Supports Extending Unemployment Insurance

In a December 12 [letter](#) to Congress, Bishop Stephen E. Blaire of Stockton, California, chairman of the Committee on Domestic Justice and Human Development of the U.S. Conference of Catholic Bishops (USCCB) called for assisting the unemployed. Unless Congress extends emergency unemployment programs, at the end of the year many unemployed workers throughout the country and their families will lose the basic income security that is provided to them through their unemployment benefits. The USCCB is asking citizens to contact

members of the Senate, urging them to extend unemployment benefits: [Contact Senate Members Now](#)
