

FAITHFUL CITIZENSHIP 2020

“In the Catholic tradition, responsible citizenship is a virtue and participation in political life is a moral obligation.”

Faithful Citizenship

Forming Consciences for Faithful Citizenship: A Catholic Call to Political Responsibility from the Catholic Bishops of the United States (2019), discusses the moral dimensions of public policies and the responsibility that all Catholics share to form their consciences in light of their faith.

As the Catholic bishops of Wisconsin, we urge you to exercise your fundamental right to vote, but equally important, to become actively engaged in the life of your community. Bring to bear all the wisdom and experience that Catholic social teaching and our faith have to offer. Ask yourself and those who govern our nation, “Does this social program, economic plan, or public policy respect the dignity of the person, created in the image and likeness of God? Does it further the common good?”

The questions on the right are intended to help guide you in your efforts to make moral and prudential decisions about candidates and public policies. Please use them when contacting candidates for local and state public office.
